As already informed to our unions, the 12th Bipartite Settlement has been signed today. We congratulate and salute all our units and members on the happy occasion of this significant achievement. The journey of AIBEA in uplifting the economic well-being of bank employees started in 1946 when AIBEA was born. After 2 decades of struggles, AIBEA could overcome the travails of Tribunals and achieve bilateralism and bipartite settlement in 1966 when it secured the 1st BPS. Since then, with unswerving conviction and unwavering steadfastness, AIBEA has been committed to maintain the system of bipartism. Â
